

LEADERSHIP COUNCIL

The Mighty Ducks Community Connections Day

This session is devoted to the Leadership Academy's awareness of the Not-For-Profit world. The class goes out in teams to visit over 20 agencies in Elkhart County to acquire a better understanding of all that our community faces on a day-to-day basis. Also introduced to them is a segment on board development and responsibilities that are attributed to participating on a not for profit board.

The Leadership Class volunteered at Church Community Services by sorting, stocking and boxing donated items. Thank you to the staff at CCS for their help and the opportunity to tour the facility and the new awareness about the services provided by them to the Elkhart community.

Leadership steering council chair, Chris Martin, introduced Vince Turner for his presentation on board development. Thank you, Vince, for your continued support of the Academy.

Ambassador of the Month

The Greater Elkhart Chamber of Commerce Ambassadors Council congratulates **Gaylor Group, Inc.** and Ambassador of the Month, **Brian Reynolds**. As the Service Manager for the Residential, Commercial, and Industrial Electrical Contractor, being an Ambassador has given Brian the opportunity to be actively involved in the Elkhart community.

Relatively new to the area, Brian has learned much about Elkhart and the deep rich history of the community. Networking gives him an opportunity to explain how Gaylor can assist both large and small client needs and "is not just a great company to work for, but an excellent company to work with!"

Thank you, **Gaylor Group, Inc.** for having Brian represent your company and helping to make Elkhart a better place to call home and to do business.

Brian Reynolds
