RE: Gaylor Electric – Letter of Recommendation – Craftmark Bakery Addition

To Whom It May Concern:

Gaylor Electric has been our electrical contractor for the addition at Craftmark Bakery located in Indianapolis, Indiana. During this time, we have been extremely pleased with the project team's capabilities, performance, and attention to safety and quality.

Throughout our time together, there were various design challenges that our construction team faced together. The Gaylor team was proactive and a great help when it came to resolving issues quickly. Their overall approach to collaboration was valuable and directly correlated with the success of the project. In addition, Gaylor demonstrated unmatched quality and safety practices and procedures.

We look forward to the next opportunity to work with them again in the future.

Sincerely,
